**POLICY: THE JOURNAL OF INTERAMERICAN STUDIES AND WORLD AFFAIRS** reflects the interests of the scholarly community and interested public concerned with the social, economic, political, and cultural aspects of life in Latin America (including the Caribbean); particularly in those instances where the subject is of concern to more than one of the traditional disciplines. As these concerns change, so will the content of the journal.

**ARTICLES** which have special relevance for interrelationships between American nations and of those nations with the rest of the world will be given special consideration. An effort will be made to include occasional articles that state an unusual or even discordant position on a subject of broad interest to be supplemented by critical comments of authorities representing differing positions on the topic. The editors continue to welcome articles by scholars from all parts of the world.

**MANUSCRIPTS** should be submitted in duplicate to: Editor, JOURNAL OF INTERAMERICAN STUDIES AND WORLD AFFAIRS, Box 24-8134, University of Miami, Coral Gables, Florida 33124.
