**Keywords:** Material deprivation; financial stress; externalizing; internalizing; adolescence; corrigendum

This article was originally published with a spelling error in the name of author Jamie L. Hanson. It also did not mention that the work was funded by a grant from the Eunice Kennedy Shriver National Institute of Child Health and Human Development (R01HD110423) and also an internal grant from the Learning Research and Development Center, University of Pittsburgh. This has now been corrected and this corrigendum published.
