## Works on Africa published during 2020

### Edited by Richard E. Bartholomew

This authoritative guide to published works in African studies has been published annually since 1984. The *Africa Bibliography* includes a wide range of material: books, articles in journals, and book chapters, covering the whole of Africa. It lists works published in a number of languages, such as Portuguese, Swahili, French and German, as well as English; categorises by region, country and subject; and includes an author index and a detailed thematic index. The *Africa Bibliography* records publications on Africa of interest to students of Africa, principally in the social and environmental sciences, humanities and arts; though some items from the medical, biological and natural sciences, likely to be of interest to a reader from a social science/arts background, are included. This annual publication records the previous year's work in its field, with provision for retrospective inclusion of earlier items. It is prepared in association with the International African Institute's journal *Africa*.

Richard E. Bartholomew is a bibliographer who has a PhD in the Study of Religion from SOAS, University of London. He also works as a book indexer and copy editor, and he has published on religion and media.

The *Africa Bibliography* is available as a fully searchable database of all volumes published to date.

The screenshot shows the Africa Bibliography website interface. At the top, it says 'CAMBRIDGE JOURNALS' and 'Home Contact Us Accessibility'. The main header features 'Africa Bibliography' and 'IAI' with a map of Africa. Below the header, there is a search section with 'Quick Search', 'Full Search', and 'Browse' buttons. The search area includes fields for 'Keyword', 'Journal Title', 'Region', 'Country', and 'Subject', along with 'AND' and 'OR' operators. There are also sections for 'Restrict your search by region, country, subject category or content type' and 'Restrict your search by year of publication'. A 'Search the Database' button is at the bottom. On the right side, there is a 'LINKS' section with various navigation options like 'Home', 'Guide to the Bibliography', 'Introductory Articles', 'About the Computers', 'Subscription Options', 'Request Institutional Trial', 'International African Institute', 'Africa (Journal)', 'International African Library', and 'Contact the Bibliographer'. At the bottom right, there is a note about access provided by the Faculty of Classics, University of Cambridge, from 2004 to 2009.
