

# Law

## Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.

# Management

Books and Journals from  
Cambridge University Press

A key area of publishing at Cambridge, our management list includes books and journals authored by internationally renowned scholars from both established and emerging economies.

We have built a reputation for rigour and for innovative approaches in the fields of business ethics, entrepreneurship & innovation, governance, human resource management, international business, organization studies, marketing, and strategic management.
