

General Notes

UNIVERSITY OF LONDON
BRITISH POSTGRADUATE MEDICAL FEDERATION

THE INSTITUTE OF LARYNGOLOGY AND OTOLOGY
330-332 GRAY'S INN ROAD, LONDON, W.C.1.

6 January–15 February 1969 and 30 June–9 August 1969

INTENSIVE CLINICAL LECTURE PERIOD for Part II D.L.O. and other students.

These periods are primarily designed to give a clinical survey of the whole field of the Specialty as a preliminary to practical clinical training. At the completion of the Intensive Lecture Period, selected students may be given the opportunity to serve as house surgeons in the associated hospitals.

19 May–31 May 1969 and 5 November–18 November 1969

PRACTICAL REVISION CLASS for Part II D.L.O. students.

This is intended for those students who are well advanced in preparation for the examination and need only the opportunity for a final review. The class includes demonstrations of selected clinical cases and viva voce examinations.

17 March–29 March 1969 and 29 September–11 October 1969

This is limited to senior students who are about to take the Final examination. In addition to a series of lecture discussions at the appropriate level in the Specialty and in related branches of general surgery, there are a number of clinical and viva voce sessions and arrangements for the setting and correction of test papers.

A copy of the syllabus giving full information about the teaching and research facilities provided by the Institute, and a detailed programme of any of the courses listed overleaf and of the short courses on specific aspects which are arranged from time to time can be obtained from the Secretary-Administrator.

The clinical practice can be joined at any time by individual arrangement with the Dean.

This includes daily practical teaching in the clinics and operating theatres and ward-rounds and special demonstrations weekly.

Demonstrations of clinical cases, open clinical lectures and clinical pathological conferences are held at regular intervals throughout the year, and are open without fee to all trainees in the Specialty. A list giving dates and times is obtainable in the Secretary-Administrator's office.

General Notes

GUEST LECTURES AT AN ADVANCED LEVEL

open to all members of the Specialty and to post-graduate students (whether enrolled students of the Institute or not).

Thursday, 6 March 1969, at 5.30 p.m. at the Royal College of Surgeons.
MR. M. GEDDES (London). "Prosthetics in otolaryngology."

Thursday, 1 May 1969, at 5.30 p.m. at the Royal College of Surgeons.
MR. G. FLAVELL (London). "Dysphagia due to oesophageal disorders."

SHORT COURSES FOR CONSULTANTS AND SENIOR REGISTRARS

4, 5, 6 March 1969

Diagnosis and treatment of the deaf child.
(Open also to Medical Officers of Health of Public Authorities).

10, 11, 12, 13, 14, 15 March 1969

Practical Aural Surgery Class.

29 March 1969

Pathology of the ear, nose and throat.

1 month commencing 2 June 1969

Post-Fellowship Advanced Specialty.
Training Course in Otolaryngology.

(Consultants and Registrars in the National Health Service are eligible for grant of study leave with pay and expenses to attend these courses.)

NON-MEDICAL COURSES

14, 15, 16 May 1969

Hearing and Mental assessment of the deaf child—for psychologists.
(The number of entries is limited in each course. A detailed syllabus of the above is obtainable on application from the Secretary-Administrator.)

SUNDAY SEMINARS FOR GENERAL PRACTITIONERS

who are cordially invited to attend all or any of the seminars below without fee or ticket.

Sunday, 16 March 1969, at 10.15 a.m.

MR. S. E. BIRDSALL.

General Notes

Lunch will be provided in the Refectory after each seminar from 12.30 p.m. Practitioners who are able to accept the Institute's invitation to lunch are requested to notify the Secretary-Administrator at least one week beforehand.

The seminars will cover the field of otolaryngology in relation to common conditions encountered in general practice. There will be no formal lectures, and practitioners attending will have the opportunity to submit questions and to participate in discussions.

Each seminar will be conducted by a member of the Institute's panel of lecturers who is also a consultant on the staff of the associated hospital.

There is a limited number of appointments in the associated hospital as Clinical Assistants and Out-Patient Assistants for which general practitioners are eligible to apply. Courses of 2 months' duration (two afternoon sessions weekly) to train practitioners for similar appointments in their local hospitals are also available; members of these courses are eligible for a financial grant to cover travelling and subsistence expenses. Particulars can be obtained on request.

UNIVERSITY OF LIVERPOOL DEPARTMENT OF OTOLARYNGOLOGY COURSE IN HEAD AND NECK SURGERY

An intensive course in head and neck surgery will be held at the Ear, Nose and Throat Infirmary, Liverpool, from 11 to 18 July inclusive.

The members of the course will spend part of the time assisting at operations. The remainder of the time will be spent in seminars on the theoretical aspects of head and neck surgery. As the course is mainly practical the numbers will be limited to six.

The fee for the course is £40 including accommodation.

Application should be made to P. M. Stell, F.R.C.S., Department of Oto-Rhino-Laryngology, Ear, Nose and Throat Infirmary, Myrtle Street, Liverpool L7 7DF.

THE UNIVERSITY OF IOWA, IOWA, U.S.A.

DEPARTMENT OF OTOLARYNGOLOGY AND MAXILLOFACIAL SURGERY

A course on the management of maxillofacial injuries will be held at the University of Iowa, 5-9 May 1969. Limited to 14 otolaryngologists, the course will deal with the immediate and delayed treatment of injuries to the soft tissues and underlying skeletal structures of the face, and with associated dental problems. In addition to lectures and demonstrations, ample laboratory practice will be given in methods of open and closed reduction, interdental fixation and suture techniques.

The fee is \$250.

Applications should be sent to: Leslie Bernstein, M.D., B.D.S., Associate Professor, Department of Otolaryngology and Maxillofacial Surgery, University of Iowa, Iowa City, Iowa, U.S.A. 52240.
