## *New Theatre Quarterly*

provides a vital international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning. It shows that theatre history has a contemporary relevance, that theatre studies need

a methodology and that theatre criticism needs a language. The journal publishes news, analysis and debate within the field of theatre studies.

## THE AMERICAN SOCIETY FOR THEATRE RESEARCH

The American Society for Theatre Research (ASTR) is a U.S.-based professional organization that fosters scholarship on worldwide theatre and performance, both historical and contemporary. ASTR was founded in 1956 to encourage theatre scholarship in the United States and to provide a link to similar research-oriented organizations, such as the International Federation for Theatre Research/La Fédération Internationale pour la Recherche Théâtrale (IFTR/FIRT). ASTR was incorporated under the laws of the state of New Jersey as a nonprofit corporation in 1967, and is the only theatre organization in the United States formally affiliated with both the American Council of Learned Societies and with the IFTR/FIRT. The ASTR Annual Meeting occurs in the fall of each year.

*Theatre Survey*, the official journal of ASTR, is published biannually in May and November, and is one of the benefits of membership in the Society. ASTR annual dues for North Americans are \$115.00 for individual members, \$40.00 for retired members, \$35.00 for students. Foreign members pay an additional \$7.50 in each of the above categories. Inquiries about ASTR, including membership, should be directed to:
