

Corrigendum

A generalised additive model to characterise dairy cows' responses to heat stress – CORRIGENDUM

S. Benni, M. Pastell, F. Bonora, P. Tassinari and D. Torreggiani

doi: [10.1017/S1751731119001721](https://doi.org/10.1017/S1751731119001721), first published by Cambridge University Press 31 July 2019.

The original article contained a spelling error in the article title. The correct title is shown here:

“A generalised additive model to characterise dairy cows' responses to heat stress”.

The authors apologise for the error.
