## INSTRUCTIONS FOR CONTRIBUTORS

**SCOPE** Epidemiology and Psychiatric Sciences (EPS) is an international, peer-reviewed journal providing updated data and scientific information to epidemiologists, psychiatrists, psychologists, statisticians and other research and mental health workers primarily concerned with public health and epidemiological and social psychiatry. Priority is given to original research and systematic reviews about mental health service research, aimed to improve the quality of everyday practice. EPS is published quarterly (in March, June, September and December).

A full instructions to authors is available at: <http://journals.cambridge.org/eps>

### EDITORIAL POLICY

EPS publishes the following article types:

- Presentation of the Editorials
- Editorials
- Special Articles
- Original Articles
- Letters

The Editor will also consider Methodological Contributions, Systematic Reviews and Meta-analyses.

The following Sections may also appear in the journal:

- Instruments
- ABC of Methodology
- Neurobiology of Psychosis

All submissions must be in English. Occasionally Letters may be published in Italian.

All contributions are accepted for publication after external peer review.

### SUBMISSION OF MANUSCRIPTS

All papers submitted for publication should be addressed to the Editor:

#### **Professor Michele Tansella**

Department of Public Health and Community Medicine  
Section of Psychiatry and Clinical Psychology  
University of Verona  
Policlinico G.B. Rossi  
Piazzale L.A. Scuro 10
