

*The Sir Mortimer B. Davis - Jewish General Hospital, a progressive, tertiary care, teaching hospital of McGill University, is offering a*

### FELLOWSHIP IN NEURO-ONCOLOGY

beginning July 1, 1989, for one or two years. The goal of the Fellowship is to provide comprehensive training in Neuro-oncology to prepare for a leadership role in the future management of patients with brain tumors. The successful candidate will gain clinical experience in the comprehensive care of these patients — including surgery, chemotherapy, radiation therapy, and newer forms of "biologic response modifiers". A major component will be an in-depth research training in the Neuroscience Research Laboratory in one of several projects dealing with tumor biology, immunocytochemistry, growth factors, angiogenesis, brain edema, and pharmacotherapy, in an established laboratory funded by MRC. Opportunities exist to develop ongoing projects towards a M.Sc. or Ph.D. degree, associated with the Neuroscience Postgraduate Program at McGill.

Salary is commensurate with the Candidate's level of experience and qualifications. A strong background and commitment to academic medicine are desirable, especially in areas of neurology, neurosurgery, oncology, or pharmacology. Applicants should send their curriculum vitae to:

S. Brem, M.D.,  
Chief, Division of Neurosurgery,  
Jewish General Hospital,  
C-130 3755 Cote St. Catherine Road,  
Montreal, Quebec, Canada H3T 1E2  
(514) 342-1282

## Neuro-oncology Fellowship

A clinical fellowship in neuro-oncology is available for neurologists and neurosurgeons at the LRCC and UWO teaching hospitals. The program offers post-residency training in the treatment of primary brain tumour, neurological complications of cancer and cancer pain and experience in the design and conduct of clinical trials. Please correspond with:

J. Gregory Cairncross, MD  
The London Regional Cancer Centre  
790 Commissioners Road East  
London, Ontario Canada  
N6A 4L6

## ACADEMIC NEUROSURGEON

### THE SIR MORTIMER B. DAVIS - JEWISH GENERAL HOSPITAL

a 620-bed McGill University Teaching Hospital is inviting applications for a GFT position in the Department of Neurosurgery. The potential candidate should be certified in neurosurgery, have a proven research background, as well as experience in a major teaching hospital. The successful candidate will be offered a university appointment commensurate with his/her qualifications. Interested candidates should send a copy of their curriculum vitae to:

DR. P.L. HEILPERN  
ASSOCIATE EXECUTIVE DIRECTOR-  
PROFESSIONAL SERVICES  
SIR MORTIMER B. DAVIS-  
JEWISH GENERAL HOSPITAL  
3755 COTE ST. CATHERINE ROAD,  
ROOM A-142  
MONTREAL, QUEBEC H3T 1E2

## CANADIAN STROKE SOCIETY PRIZE

Applications are invited for essays on original work in cerebrovascular disease. Subjects include clinical and experimental research, history of stroke, and neurological, neurosurgical or rehabilitation aspects.

The prize is \$1,000 and the essay will be presented by the author at the Canadian Congress of Neurological Sciences, Stroke Symposium, in Ottawa, June 1989. Essays should be no more than 15 pages and prepared in Vancouver style.

The judges reserve the right to award no prize if a satisfactory essay is not received.

Submit papers to:

Dr. J.W. Norris, President  
Canadian Stroke Society  
Stroke Research Unit  
Sunnybrook Medical Centre  
2075 Bayview Avenue  
Toronto, Ontario M4N 3M5

Deadline for submissions is January 31, 1989.
