## BIRTHING THE NATION

Strategies of Palestinian Women in Israel

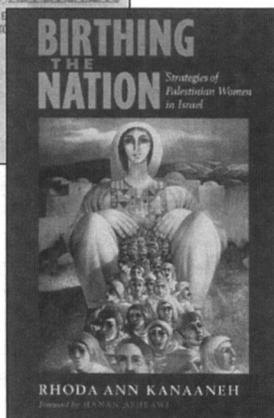

Rhoda Ann Kanaaneh

Foreword by Hanan Ashrawi

"*Birthing the Nation* shows how, in the case of Israel even more than elsewhere in the world, the demands of states and nations turn private decisions about families and bodies into political arithmetics of populations. Eschewing polemics, Kanaaneh uses detailed ethnography...to illuminate a crucial new piece of the puzzle of the politics of reproduction: the use of 'reproductive ranking' in negotiations of modernity."
