# Behavioral and Brain Sciences

## Editors

Barbara L. Finlay, Cornell University, USA

Paul Bloom, Yale University, USA

*Behavioral and Brain Sciences*, with its imposing ISI Impact Factor of 20.771, is an internationally renowned journal with an innovative format. Significant and controversial pieces of work are published from researchers in psychology, neuroscience, behavioral biology or cognitive science, together with 20–30 commentaries on each article from specialists in these disciplines, plus the author's response to them. The result is a unique forum for communication, criticism, stimulation, and unification of research in behavioral and brain sciences – from molecular neurobiology to artificial intelligence and the philosophy of the mind.

# Psychological Medicine

**Editors**

Kenneth S. Kendler, Virginia Institute for Psychiatric Behavioral Genetics, Virginia,  
USA

Robin M. Murray, Institute of Psychiatry, London, UK

Now in its fifth decade of publication, *Psychological Medicine* is a leading international journal in the fields of psychiatry, clinical psychology and the related basic sciences. There are twelve issues per year, each featuring original articles reporting key research being undertaken worldwide, together with shorter editorials by distinguished scholars and an important book review section. The journal's success is clearly demonstrated by a consistently high Impact Factor.
