Investigating reconstructed inflows and pathogen infection patterns between low-relief and high-relief subtropical oyster reefs—CORRIGENDUM

doi:10.1017/exp.2020.28, Published online by Cambridge University Press: 03 August 2020.

In the above mentioned paper (Walther et al., 2020) the use of the words natural and restored when referring to subtropical oyster reefs has been changed throughout the article, including in the title, to low-relief and high-relief respectively. The authors apologise for the original error.
