English Pronunciation Illustrated

JOHN L. M. TRIM & PETER KNEEBONE

Which does a foreigner find more confusing, English pronunciation or the English sense of humour? This is a guide to both. The sounds of English are isolated, contrasted and drilled in a way the foreign student and his teacher will find easy, accurate and convincing. Peter Kneebone's drawings bring pronunciation to life in a most amusing way and there is a full phonetic transcription. 6s.
