## STATEMENT OF AIMS

*European Political Science Review (EPSR)* aims to be a place for the best research in all areas of political science. As a 'general' journal in political science, it will publish articles that speak to as large an audience as possible within the discipline.

*EPSR* will publish original research of the highest scholarly quality from leading political scientists around the world. It will also feature the work of the best young scholars in the discipline.

*EPSR* is published by the European Consortium for Political Research and Cambridge University Press, bringing together the experience and expertise of two leading organizations worldwide devoted to advancing and disseminating research in political science and government.

All articles are peer reviewed.

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see [www.fsc.org](http://www.fsc.org) for information.

## CONTENTS

- 321 **Social information and political participation on the internet: an experiment**
