## A History of Chinese Civilization

JACQUES GERNET

Translated by J. R. FOSTER

This distinguished book, first published in France in 1972 as *Le Monde Chinois*, now appears in an English translation for the first time. The French edition was enthusiastically received as one of the most comprehensive and readable single-volume histories of China yet to appear. For this edition Professor Gernet has revised his account of China in the 1970s and also amended other sections in the light of recent scholarship. The book is newly illustrated with a wide range of photographs, some previously unpublished, and many maps, line drawings and tables. **£25.00 net/\$37.50**
