

## Addendum

# Reported Case Report of Recovery from Rabies Using Intrathecal Rabies Immune Globulin was Flawed – ADDENDUM

Alan C. Jackson , Charles E. Rupprecht , Reeta S. Mani , Nidia Aréchiga-Ceballos  and Darryn L. Knobel 

DOI: <https://doi.org/10.1017/cjn.2023.319>, Published online by Cambridge University Press: 23 November 2023.

Over three months after our letter to the editor<sup>1</sup> was published, the *British Medical Journal* (BMJ) retracted the case report (<https://casereports.bmj.com/content/17/3/e256408ret>; <https://doi.org/10.1136/bcr-2023-256408ret>) because of the concerns we raised.
