A Suspected Supernova in A.D. 1181 (F. R. Stephenson)
JPEC (R. O. Redman)
IAU Colloquium No. 8 (Bruce W. Shore)

Price £1.25 (US\$ 4)

Annual Subscription £4 (US\$ 12)

Notice to Authors

In addition to the domestic news of the Society the *Quarterly Journal* contains articles suitable for the non-specialist on particular topics, and review papers written from a personal point of view without claim to total originality or total impartiality.

The journal is edited by the Secretaries of the Society in co-operation with the Associate Editor (Professor A. J. Meadows, University of Leicester, Leicester). The Associate Editor will be pleased to hear from, or advise, prospective contributors. Manuscripts, however, should be sent to:

The General Secretary,
Royal Astronomical Society,
Burlington House,
London, W.1.

Printed in Great Britain by
Sumfield & Day Ltd., Eastbourne, Sussex
