In the original publication of this article, reference 19 was incorrectly listed as:

“Cohen CR, Grossman D, Onono M, Newmann S, Burger RL, Dith C, et al. Integration of family planning services into HIV care clinics: results one year after a cluster randomized controlled trial in Kenya. *PLoS One* 2017; 12(3): e0172992.”

Instead, this should have been:

“Weiser SD, Bukusi EA, Steinfeld RL, Frongillo EA, Weke E, Dworkin SL, Pusateri K, Shiboski S, Scow K, Butler LM, Cohen CR.

Shamba Maisha: randomized controlled trial of an agricultural and finance intervention to improve HIV health outcomes. *AIDS*. 2015 Sep 10;29(14):1889-94. doi: [10.1097/QAD.0000000000000781](https://doi.org/10.1097/QAD.0000000000000781). PMID: 26214684; PMCID: PMC4573846.”

This has now been updated in the article and this corrigendum published.
