Letters

To the Editor:

I'm writing to correct several typographical errors (mine) in my article "Images of Isadora: The Search For Motion" (*DRJ* 17/2 & 18/1, Fall 1985/Spring 1986).

The date of Delsarte's death is 1871, not 1879. The missing page number for footnote 14 is p. 114, which was erroneously attached to footnote 16. The correct page citation for footnote 16 is page 459. The page number for footnote 39 is 329, not 327.

I would also like to point out, with some embarrassment, that, because of a right/left, front/back error of mine in relation to a two-photo slide of Schloss portraits of Duncan, the wrong half of the slide was printed — rendering a point that I was making in the article less than intelligible.
