

There's a bright future waiting for you  
on California's beautiful Central Coast.

California's breathtaking natural attractions are not the only stars on the Central Coast. Equally impressive are the top-trained medical professionals at Natividad Medical Center, a state-of-the-art 172-bed teaching hospital with a JCAHO ranking in the top percentile of hospitals nationwide. When you bring your nursing career to Natividad, you'll join a facility that is affiliated with the University of California San Francisco and that has the area's only Life-Flight helicopter service, as well as one of the County's first Community Level III NICUs. As a member of the Natividad team, the sky's the limit, for you and your career.

## Infection Control Nurse

We currently seek an experienced RN to coordinate all infection control activities for the hospital, including staff education in the prevention and control of infection and investigation of suspected infectious outbreaks. We'll rely on you to review patient charts and the hospital for compliance to infection control standards and prepare mandated documentation forms. This key assignment requires a CA-licensed RN with a working knowledge of aseptic procedures in a hospital setting, medical terminology, etiology and treatment of infectious disease.

As a member of our cohesive team, you'll enjoy extremely competitive salaries and an excellent benefits package, including 100% paid CALPERS retirement. For application materials, contact **Natividad Medical Center, Human Resources, 1441 Constitution Blvd., PO Box 81611, Salinas, CA 93912-1611**; call us at **(831) 755-4282**; or apply online at [www.natividad.com](http://www.natividad.com). Natividad Medical Center is committed to employing a diverse workforce. EOE/M/F/H/V

# THE SOCIETY FOR HEALTHCARE EPIDEMIOLOGY OF AMERICA

APRIL 5 - 8, 2008

BUENA VISTA PALACE

ORLANDO, FLORIDA

**M**embers of the field of infection prevention and control face the challenges of merging science with cost containment realities, adapting to local and federal pressures, and staying on top of emerging issues. SHEA 2008 will bring together top clinicians, scientists, and practitioners to identify best practices, new technologies, and up-to-date advances to keep you on the forefront of patient care and healthcare worker safety.

## Registration is now open!

Discounted pre-registration  
closes on Friday, February 1.

Pre-registration closes on  
Friday, March 7.

To register and to learn more  
about SHEA 2008, check  
SHEA's Annual Meeting site at:
