## The Cambridge Encyclopedia of China

New Edition

Edited by **BRIAN HOOK**

Associate Editor: **DENIS TWITCHETT**

This Cambridge Encyclopedia provides an absorbing, authoritative and superbly illustrated account of China and all things Chinese – its geography, history, politics, customs, arts, food and drink.

The new edition has been thoroughly revised and updated to take account of the momentous events of recent years as well as current developments in key areas such as politics, economics and social administration.

## The Cambridge Handbook of Contemporary China

**COLIN MACKERRAS**

and **AMANDA YORKE**

This unique assembly of information draws from a huge range of sources – both official and unofficial – to shed new light on all aspects of life in China since 1949. The wealth of facts and statistics are presented clearly and concisely with extensive use of maps and tables. The book's contemporary focus and broad scope make it a uniquely valuable reference source for everyone interested in modern China.
