The United Nations and Mozambique, 1992-1995

This essential reference work offers a comprehensive account of one of the most innovative, multifaceted and successful operations ever undertaken by the United Nations -- the United Nations Operation in Mozambique (ONUMOZ). A combined effort of peace-keeping, humanitarian aid and electoral assistance, ONUMOZ helped the Mozambican people establish a solid foundation for a peaceful future following a devastating civil conflict.

For the first time, the texts of nearly 100 key documents relating to the operation have been gathered in a single volume. Complementing the documents is an extensive introduction by Secretary-General Boutros Boutros-Ghali, which provides an overview of the Organization's contribution to the historic transformation in Mozambique. Also included are indexes and a detailed chronology of events.

E.95.I.20 92-1-100559-0 321pp \$29.95

The United Nations Blue Books Series

This new series of publications will prove an invaluable research and reference tool for academics, policy makers, journalists and others interested in gaining a deeper understanding of the work of the United Nations in dealing with the major issues of concern to humanity.

In gathering together the key materials related to each issue, the books provide both a comprehensive and authoritative source of information. All will include an extensive introduction by Secretary-General Boutros Boutros-Ghali, a detailed chronology of events and a collection of documents and related information.

The reader quickly finds:

- General Assembly and Security Council Resolutions
- Reports of the Secretary-General
- The full texts of Conventions, Charters Agreements and Treaties
- Significant speeches and correspondence between parties

Each volume has been conceived to give easy access to the wealth of information they contain, with a subject index and a bibliography of documents. In addition, each passage of the overview is cross-referenced to the corresponding documents.

Other current titles in the series include:

- **The United Nations and Apartheid, 1948-1994**
- **The United Nations and Cambodia, 1991-1995**
- **The United Nations and Nuclear Non-Proliferation**
- **The United Nations and El Salvador, 1990-1995**

Each is available at \$29.95

Kansas

Revolt Against Modernity

Leo Strauss, Eric Voegelin, and the Search for a Post-Liberal Order

Ted V. McAllister

"McAllister traces an American counter-tradition

in the work of thinkers for whom modernity was as much tragedy as triumph. An important contribution to our self-understanding as well as to the history of ideas." • JEAN BETHKE

ELSHTAIN, author of *Democracy on Trial*. "Lucidly examines the major works of Leo Strauss and Eric Voegelin for an understanding of the origins and nature of our modern predicament. 'Must' reading for an appreciation of the theoretical foundations of modern American Conservative thought which, as McAllister makes clear, owes so much to these two giants."

• GEORGE W. CAREY, editor of *The Political Science Reviewer*.

Battles on the Bench

Conflict Inside the Supreme Court

Phillip J. Cooper

"A superb study. Cooper has produced a work that is in many ways seminal. He has also done an excellent job of classifying the nature, types, and consequences of conflict on the Court, illustrating each with amusing, touching, gripping, shocking, and at times profound anecdotes. Highly recommended." • TINSLEY E. YARBROUGH, author of *John Marshall Harlan*.

"Cooper's book in some ways covers ground found in *The Brethren* but is superior to that book. He weaves a fascinating story and provides sound political analysis." • SHELDON GOLDMAN, author of *Constitutional Law and Supreme Court Decision Making*.

224 pages.
\$24.95

Founding Republics in France and America

A Study in Constitutional Governance

John A. Rohr

"Rohr is an outstanding scholar who has achieved something very uncommon with this comparative legal and intellectual history of the French and U.S. constitutions regarding public administration. A very significant contribution to the field." • DAVID ROSENBLUM, author of *Public Administration and the Law*. "A solid scholarly contribution to our understanding of France and to comparative politics and public law. The U.S.-French comparison is not only intrinsically interesting but it has hardly ever been attempted in the detail presented here." • WILLIAM SAFRAN, author of *The French Polity*.

PRAEGER

Democratization and the Protection of Human Rights in Africa

Problems and Prospects

By **Brendalyn P. Ambrose**

Argues that it is not feasible to promote liberal democracy and civil rights in Africa without first addressing the material and intellectual poverty of the majority.

Praeger Publishers. 1995. 248 pages. 0-275-95143-X. \$57.95

Warnings from the Far South

Democracy versus Dictatorship in Uruguay, Argentina, and Chile

By **William Columbus Davis**

This work examines three advanced Latin American republics with long records of democracy, political stability, and economic prosperity which degenerated into instability and military dictatorship—and issues a warning for other democratic peoples.

Praeger Publishers. 1995. 256 pages. 0-275-95021-2. \$59.95

The American Presidency

Second Edition

By **James W. Davis**

"A superior text in all respects. It is comprehensive, carefully researched, peppered with insights, even handed, and a delight to read. Any student who seeks to understand the essence of the modern American presidency will acquire that understanding in the reading of this thorough and thoughtful text."

POLITICAL SCIENCE IN AMERICA AND ABROAD

American Democracy and the Public Good

Steven Kelman

The John F. Kennedy School of Government
Harvard University

This new text, written from the unique perspective of a professor who has trained public servants and served in that role himself, evaluates how well government serves the public good. *American Democracy and the Public Good* offers a refreshing look at how our political system works, the challenges it faces, and how citizens in and out of government strive to improve it.

AMERICAN POLITICS

Democracy and Diplomacy

The Impact of Domestic Politics on U.S. Foreign Policy, 1789-1994

MELVIN SMALL

In this first historical overview of the subject, Melvin Small examines the central role of domestic politics in the shaping and conduct of American foreign policy from the early republic to the end of the Cold War. While accounting for various factors like special interest groups (including agriculture and business), public opinion, the media, elections and party politics, executive-legislative conflicts, Small's discussion focuses on American presidents and the bureaucrats who fashion and carry out foreign policy.

INTERPRETING AMERICAN POLITICS

Michael Nelson, Series Editor

The Selling of Supreme Court Nominees

JOHN ANTHONY MALTESE

"John Anthony Maltese sets out to explain how the confirmation process of Supreme Court nominees has arrived at its present point—and he succeeds admirably by interweaving historical and contemporary materials. He demonstrates precisely when and how interest groups became involved in the process and when and how the White House became actively involved in, as he puts it, 'selling' the nominees."—Sheldon Goldman, University of Massachusetts, Amherst

\$26.95 hardcover

The Two Majorities

The Issue Context of Modern American Politics

BYRON E. SHAFER AND WILLIAM J. M. CLAGGETT

In *The Two Majorities* Byron Shafer and William Claggett offer groundbreaking political analysis that resolves many of the seeming contradictions in the contemporary American political scene. Drawing on an unusually large sample of all Americans conducted by the Gallup organization, Shafer and Claggett argue that the recent turbulence in American politics is in some ways superficial. Below the surface, they contend, the political preferences of the American people remain remarkably stable.

\$14.95 paperback

The Foundation of Merit

Public Service in American Democracy
PATRICIA WALLACE INGRAHAM

In the first systematic examination of the federal civil service in nearly forty years, Patricia Ingraham analyzes the historical development of the civil service in the context of the political and democratic environment that is central to its effectiveness and legitimacy. She describes the incremental and disjointed growth of the federal civil service and explains why—in its current form—it has little hope of meeting the enormous challenges of the next century.

announces the 1996-97

APSA-MCI COMMUNICATIONS FELLOWSHIPS

CONGRESSIONAL FELLOWSHIPS FOR SCHOLARS AND JOURNALISTS who have an analytical interest in communications and public policy and who show promise of making a significant contribution to the public's understanding of the political process.

THE FELLOWSHIP YEAR: A comprehensive three-week orientation period, followed by full time assignments as legislative aides in the House of Representatives and/or Senate, combined with a seminar program with leading congressional, governmental and academic figures. Orientation begins November 1996, legislative office assignments run December 1996 through August 15, 1997.

QUALIFICATIONS FOR SCHOLARS: Applications are welcome from scholars in all disciplines who have completed a Ph.D. in the last 15 years or are near completion of their dissertations.

QUALIFICATIONS FOR JOURNALISTS: A Bachelor's degree and a minimum of two years' full-time experience in newspaper, magazine, radio or television reporting at time of application. (Broadcast journalists' background may be on the air or as producers, directors, writers or researchers).

FOR ALL CANDIDATES, preference given to those who have not had extensive Washington experience. Applicants who are not current residents of the United States must be able to fund their own transportation to Washington to be interviewed should they be selected as finalists.

STIPEND: \$28,000, plus a small travel allowance.

TO APPLY: Between October 1 and December 1, 1995, submit:

- a detailed resume (8 copies);
- a 500-word explanation of how the Congressional Fellowship Program relates to your career goals and interest in telecommunications and public policy (8 copies);
- For scholars: one published article constituting your best professional writing (8 copies) or, for journalists: a sample of your best professional writing (8 copies of clips or radio/television scripts or single copy of cassette or VHS tape).

REFERENCES: All candidates must submit the names of three professional references who will send letters of recommendation to the APSA office by December 15, 1995. (Applicants are responsible for seeing that these letters are sent.)

MAIL TO: APSA-MCI Communications Fellowships, American Political Science Association, 1527 New Hampshire Avenue, NW, Washington, DC 20036.

Awards will be announced by
April 1, 1996

POLITICAL SCIENTISTS

The American Political Science Association
announces the 1996-97

Congressional Fellowship Program

WHO: Early and mid-career political scientists.

WHY: To learn more about the legislative process through direct participation.

HOW: A comprehensive three-week orientation period; full-time assignments as legislative aides in the House of Representatives and/or Senate; seminar program with leading congressional, governmental and academic figures.

QUALIFICATIONS: A scholarly interest in Congress and the policymaking process; a Ph.D. completed within the last fifteen years (or near completion). Applicants who are not current residents of the United States must be able to fund their own transportation to Washington to be interviewed should they be selected as finalists.

THE FELLOWSHIP YEAR: Orientation begins November 1996; office assignments run December 1996 through August 15, 1997.

STIPEND: \$28,000, plus travel allowance.

APPLICATION PROCEDURE: Submit eight copies each of:

- a detailed curriculum vitae;
- a personal statement (about 500 words) explaining how the Congressional Fellowship Program relates to your professional goals;
- a sample of your best writing (one published or unpublished manuscript).

Submit, also, the names of three professional references who have agreed to write letters of recommendation.

REFERENCES: Candidates are responsible for arranging that the letters of recommendation arrive in our offices by December 15, 1995.

APPLICATION DEADLINE: December 1, 1995; mail to Director, Congressional Fellowship Program, American Political Science Association, 1527 New Hampshire Avenue, NW, Washington, DC 20036.

Awards will be announced by April 1, 1996.

Nothing to Read

Newspapers and Elections in a Social Experiment

To what extent would the average citizen go to obtain information about candidates should a media source suddenly be suspended during an election? Not far, says conventional wisdom. Comparing Pittsburgh and Cleveland during the 1992 campaign season—when Pittsburgh was in the midst of a newspaper strike—Mondak tested that conventional wisdom and proved it wrong.

FACING UP TO THE AMERICAN DREAM

Race, Class, and the Soul of the Nation

Jennifer L. Hochschild

The ideology of the American dream—the faith that an individual can attain success and virtue through strenuous effort—is the very soul of the American nation. According to Jennifer Hochschild, we have failed to face up to what that dream requires of our society, and yet we possess no other central sustaining belief.

In this compassionate but frightening book, Hochschild combines survey data and vivid anecdote to clarify several paradoxes. Since the 1960s white Americans have seen African Americans as having better and better chances to achieve the dream. At the same time middle-class blacks have become increasingly frustrated personally and anxious about the progress of their race. Most poor blacks, however, cling to the notion that they and their families can succeed. Meanwhile, a tiny number of the estranged poor, who have completely given up on the American dream or any other faith, threaten the social fabric of the black community.

This is a thoughtful, troubling view of the American dream as it is lived today.

"This is a timely and important book. Hochschild's analysis of the paradoxes of race and class in America is both brilliant and refreshing. *Facing Up to the American Dream* should be read by every American who has grown weary over and is puzzled by the nature of the racial rhetoric featured in so much of our public discourse."—William Julius Wilson

"In this invaluable study, Jennifer Hochschild compares the views of middle-class and poor African Americans to measure the current significance of the American Dream belief-system and cogently assesses the likelihood that a sustaining article of American faith could carry with it the seeds of social destruction."—Derrick Bell

STATES OF INJURY

Power and Freedom in Late Modernity

Wendy Brown

Whether in characterizing Catharine MacKinnon's theory of gender as itself pornographic or in identifying liberalism as unable to make good on its promises, Wendy Brown pursues a central question: how does a sense of woundedness become the basis for a sense of identity? Brown argues that efforts to outlaw hate speech and pornography powerfully legitimize the state: victims are portrayed as so helpless as to be in continuing need of governmental protection. True democracy, she insists, requires sharing power, not regulation by it.

"Wendy Brown refuses any easy identification with trends in political theory. Instead, she analyzes the main traditions of critical theory with care and original insight. Her analysis of the relationship between freedom and equality brings the best of postmodern insight to bear on one of liberalism's most cherished values."

PATHS OF EMANCIPATION

Jews, States, and Citizenship
Edited by Pierre Birnbaum
and Ira Katznelson

Throughout the nineteenth century, legal barriers to Jewish citizenship were lifted in Europe, enabling organized Jewish communities and individuals to alter radically their relationships with the institutions of the Christian West. In this volume, one of the first to offer a comparative overview of the entry of Jews into state and society, eight leading historians analyze the course of emancipation in Holland, Germany, France, England, the United States, and Italy as well as in Turkey and Russia. Their goal is to produce a systematic study of the highly diverse paths to emancipation and to explore their different impacts on Jewish identity, dispositions, and patterns of collective action.

In addition to the editors, the contributors are Geoffrey Alderman, Hans Daalder, Werner E. Mosse, Aron Rodrigue, Dan V. Segre, and Michael Stanislawski.

BEHIND THE MULE

Race and Class
in African-American Politics

Michael C. Dawson

"Scholarship, in disciplines and sub-fields, significantly changes, when mature, inventive, and brilliant works emerge. This book is one such moment and event. It is a pioneering and painstaking exploration of African-American politics from the standpoint of the people in that community, using their opinions, attitudes, and behaviors as guides."—Hanes Walton, Jr.

"Until now, no one has fully probed the contours of black group identity or looked systematically at the tension between solidarity and class differences among African Americans. Michael Dawson has done just that. He combines the best survey, a deep sense of historical and social context, and a vivid realization of why politics matters to show us how much African Americans remain unified, where they are dividing, and how racial group interests deeply affect all Americans."—Jennifer Hochschild

Now in paper: \$14.95 ISBN 0-691-02543-6

STRATEGIC CAPITALISM

Private Business and Public Purpose in Japanese Industrial Finance

Kent E. Calder

"Who ensured that loans flowed to Japan's winner industries, such as automobiles and consumer electronics? It wasn't brilliant bureaucrats, Mr. Calder argues with considerable force. The book marshals plenty of evidence of how passive and 'regulatory' the Japanese state frequently was, and how powerless its industrial strategists were against bureaucratic, business, and political foes."—Urban C. Lehner, *The Wall Street Journal*

"Calder's book is well documented, lucid, and convincing—truly a landmark study."—Thomas McNaugher, *The Key Reporter*

Now in paper: \$17.95 ISBN 0-691-04475-9

POWER, TRADE, AND WAR

Edward D. Mansfield

"A book that makes major contributions to a political-economy approach to theorizing and analyzing international relations. . . . Mansfield's research is exemplary and thought-provoking. . . . [It] generates a number of important findings. . . ."—Janice E. Thomson, *The Annals of the American Academy of Political and Social Science*

"The arrogance of power? World peace through world trade? These and similar questions on the relationships among power concentration, trade, and war are examined in this sophisticated quantitative study of the world system in the last two centuries."—*Choice*

Now in paper: \$17.95 ISBN 0-691-04482-1

ALLIES, ADVERSARIES, AND INTERNATIONAL TRADE

Joanne Gowa

"In uniting the fields of international security and political economy, this superb book succeeds where many others have failed. Quantitative and qualitative tests give empirical bite to its spare theoretical formulation. A reader's dream, this book is both thin and big."—Peter J. Katzenstein

"An outstanding and original book. Arguing that the security externalities created through international exchange affect the willingness of countries to adopt free trade, Gowa opens up an important new avenue of the political economy of trade policy."

—David A. Lake

Now in paper: \$14.95 ISBN 0-691-04471-6

THE IDEA OF CIVIL SOCIETY

Adam B. Seligman

"One of the merits of Adam Seligman's wide-ranging, probing, and deeply reflective inquiry into the history and uses of the idea of civil society is that it is concerned explicitly with identifying the ambiguities in its applications to contemporary societies. . . . In one aspect Mr. Seligman's book is an exploration of the idea of civil society in all its contemporary and historical ironies and ambiguities, one that is richly learned and subtly reasoned. In another it is a question mark over the very idea of a civil society."

—John Gray,

The New York Times Book Review

Available September 1995

NEW IN PAPERBACK

Updated and with a new
introduction by the author

POLITICAL ORGANIZATIONS

James Q. Wilson

A major work by one of America's eminent political scientists, *Political Organizations* has had a profound impact on how we view the influence of interest groups on policy-making. James Wilson wrote this book to counter two ideas: that popular interests will automatically generate political organizations and that such organizations will faithfully mirror the opinions and interests of their members. Moreover, he demonstrated that the way in which political organizations are created and maintained has a profound impact on the opinions they represent and the tactics they use.

Now available for the first time in paperback, this book has broadened its scope to include recently developed organizations as it addresses many of today's concerns over the power of such groups as special-interest lobbies.

LIBERAL NATIONALISM

Yael Tamir

"Tamir constructs a philosophical ideal of nationalism, but in leading the reader to questions [of practical importance], she also performs a valuable service for those who try to understand its reality."—Liah Greenfeld, *American Political Science Review*

"Yael Tamir has made an important theoretical contribution to a crucial debate that should interest anyone trying to come to terms with contemporary politics. It is a mark of her achievement that one finishes the book willing to credit the *non-oxymoronic* nature of the term 'liberal nationalism' and, thus, to accept the possibility that [one is not forced] to choose between these."

NEW from SR BOOKS

Democracy in Latin America *Patterns and Cycles*

Edited by Roderic Ai Camp, Tulane University

Recent events, such as the signing of the North American Free Trade Agreement, have made it imperative for students, scholars, and policymakers to grasp the history and possible directions of Latin American political change. *Democracy and Development* brings together the most important and up-to-date scholarship on this crucial topic.

Edited and introduced by one of the foremost political scientists studying the region, *Democracy and Development* provides thirteen essays that examine the problems posed by political development in the form of democratization. The essays are arranged in four sections: "What Is Democratization in Latin America?" "The Political Heritage—Culture, Structures, and Authoritarianism," "Agents of Political Change? Religion, Militarism, Electioneering, and Nongovernmental Organizations," and "Consequences of Democratization: Case Studies in Change."

Available Oct. 1995 296 pp. with reading list

Lives at Risk *Hostages and Victims in American Foreign Policy*

by Russell D. Buhite, University of Tennessee

"A timely work that is a must read for Americans in general and policymakers in particular."
—Howard Jones,
University of Alabama

Lives at Risk is the first book that provides the historical context needed to understand terrorism and America's responses to terrorist acts. Historian Russell D. Buhite here examines key instances of hostage-taking throughout U.S. history, from the late eighteenth century to the 1980s, and shows how previous experiences can help us deal with terrorist threats today.

Bringing to the study of terrorism his renowned understanding of U.S. foreign policy, Buhite has created a work that deftly combines lively narrative and practical recommendations. As Americans continue to be the focus of terrorist acts, *Lives at Risk* will be a valuable work for anyone interested in the best way to avert future crises.

Biotechnology in Latin America *Politics, Impacts, and Risks*

Edited by N. Patrick Peritore and Ana Karina Galve-Peritore, University of Missouri—Columbia

"This timely and important collection of essays will be of great utility to policymakers, teachers, and the interested public....

Peritore's outstanding introductory essay...is worth the price of the book."
—Elinor G. K. Melville, York University (Canada)

From synthetic growth hormones to genetic therapies for inherited diseases, biotechnology offers tremendous opportunities and incalculable risks. Nowhere are the challenges posed by the new science more keenly felt than in Latin America, where vast and varied amounts of genetic material have already drawn the attention of transnational corporations.

Biotechnology in Latin America examines this perilous situation, shedding light on how biotechnology can be made to serve developing nations rather than provide yet another route for exploitation by first-world industry. The editors of this volume have brought together new essays by political scientists, biologists, sociologists, and other authorities. Topics include the significance of Latin America for the industry of genetic engineering, the government and corporate powers promoting biotechnology, and case studies of attempts to exploit the new science in Mexico, Cuba, and Colombia.

“An excellent introduction to the debate about poverty in America.”

—Lawrence M. Mead

Author of *The New Politics of Poverty*

“A thoughtful analysis of one of America’s most vexing social problems. [Kelso] eschews the platitudes of both left and right to examine the intractable nature of poverty and its diverse causes. He is especially insightful in his dissection of the role culture plays in poverty—and for the concern government should have for the character of its citizens.”

—Linda Chavez

Author of *Out of the Barrio: Toward a New Politics of Hispanic Assimilation*

In this timely work, William A. Kelso analyzes how the persistence of poverty has reversed liberal and conservative positions during the last 30 years, and suggests that the arguments of both sides are misguided. Offering new explanations for the persistence of poverty, Kelso looks beyond familiar labels such as “underclass” and “family values” to analyze poverty not as a monolithic condition, but as a multidimensional problem.

Racism in the Post-Civil Rights Era Now You See It, Now You Don't Robert C. Smith

“In this insightful book, Smith has no reservations about using the ‘R’ word (racism) as the most accurate label for the still extensive system of white-generated oppression facing African-Americans....He provides an outright refutation of the notion, omnipresent in scholarly and journalistic writing over the last decade, of a ‘declining significance of race’ in the United States.” — Joe R. Feagin, Graduate Research Professor, University of Florida

This is the first book to assess in a systematic and theoretically informed way the course and status of racism in the post-civil rights era. It convincingly demonstrates that racism continues to exist in contemporary American society twenty-five years after the civil rights revolution.

Smith clarifies the concept of racism through a historical analysis of the doctrine and practice of white supremacy. Then, drawing on a variety of data—surveys, court cases, the academic literature, government and privately collected statistical reports and studies, and personal experiences—Smith traces the present-day manifestations of racism ideologically, attitudinally, behaviorally, and institutionally. The final chapter presents a detailed critique of the literature on the black underclass and of William Julius Wilson’s thesis on the declining significance of racism in explaining the underclass. In the process, it presents a persuasive argument that the persistence and growth of the underclass is itself major evidence of the prevalence of racism today.

new POLITICAL perspectives

Turning Right in the Sixties

The Conservative Capture of the GOP
MARY C. BRENNAN

A look at the conservative wing of the Republican Party and its successful attempts to reinvent itself and gain control of the GOP during the 1960s. "Essential reading for anyone who wants to understand the politics of the 1990s." —Leo P. Ribuffo, author of *The Old Christian Right*

Multicultural Citizenship

A Liberal Theory of Minority Rights
WILL KYMLICKA

The increasingly multicultural fabric of modern societies has given rise to many new issues and conflicts, as ethnic and national minorities demand recognition and support for their cultural identity. This book presents a new conception of the rights and status of minority cultures.

(Oxford Political Theory)
1995 296 pp. \$29.95

Green Globe Yearbook of International Co-operation on Environment and Development 1995

EDITED BY HELGE OLE BERGESEN AND GEORG PARMANN

Praise for previous editions:

Industrial Enterprise and European Integration

From National to International Champions in Western Europe
EDITED BY JACK HAYWARD

This volume focuses on how European national champions have fared in an increasingly globalized industrial context. After setting the four national policy contexts of France, Germany, Britain, and Italy, the work compares four major industrial sectors: electricity, aerospace, air transport, and telecommunications.

(Nuffield European Studies)
1995 384 pp. \$58.00

On Nationality

DAVID MILLER

Here, the author argues that national identities are valid sources of personal identity, that we are justified in recognizing special obligations to our co-nationals, and that nations have good grounds for wanting to be politically self-determining, but that recognizing the claims of nationality does not entail suppressing other sources of personal identity, such as ethnicity.

(Oxford Political Theory)
November 1995 168 pp. \$24.95

The European Union and the Regions

EDITED BY BARRY JONES AND MICHAEL KEATING

If Europe witnessing the death of the once-mighty nation-state, then two of the most powerful factors in its post-war decline have been European integration and regionalism. This book provides a definitive examination of the new patterns of politics and policy that link the three levels of European Union, nation-state, and region.

1995 320 pp. \$59.00

Between Freedom and Subsistence

China and Human Rights
ANN KENT

"A carefully researched and candidly refreshing exposition of an increasingly intriguing aspect of China's political life...."—*Choice*.

Set in the context of international human rights law, this is a comprehensive analysis of the theory and practice of human rights in China since 1949.

1994 (paper 1995) 312 pp. paper \$26.00

Real Freedom for All

What (If Anything) Can Justify Capitalism?

PHILIPPE VAN PARIJS

In this ground-breaking book, Philippe Van Parijs sets out a new and compelling case for a just society. Assessing and rejecting the claims of both socialism and conventional capitalism, he presents a clear and compelling alternative vision of the just society: a capitalist society offering a substantial and unconditional basic income to all its members.

(Oxford Political Theory)
1995 344 pp. \$35.00

European Community

The Building of a Union
Second Edition
JOHN PINDER

Invaluable for all those who seek a greater understanding of the European Community, John Pinder's book gives a complete and coherent view of its formation. He includes recent developments such as the GATT negotiations, the "Delors II" package, the aftermath of Maastricht, and the new bids for membership.

1995 272 pp. paper \$16.95

War Without Winners

Afghanistan's Uncertain Transition
After the Cold War
RASUL BAKHSH RAIS

The situation created by the Soviet intervention in Afghanistan attracted world-wide attention, but little effort was made to understand the domestic roots of the confrontation and to explain the links between internal strife and external invasion. In this work, the author analyzes all the factors that led to the Afghan tragedy.

INTERNATIONAL INSTITUTE FOR STRATEGIC STUDIES

The Military Balance 1995-1996

This work provides up-to-date information on the composition, size, and deployment of the world's armed forces. It has established itself as a global database of military strength organization, and defense expenditure. Packed with economic and demographic statistics, it also provides up-to-date analysis of the latest developments in all arms-control fields, details of the mandate and composition of UN and other international peacekeeping roles, and analysis of surface-to-surface missiles, whether armed with nuclear, biological, chemical, or conventional warheads.

***The Military Balance 1995-1996* offers:**

- Up-to-date information on the composition, size, and weapons holdings of over 165 countries
- A loose-leaf wall map of the Middle East
- Economic and demographic statistics together with details of defense expenditure
- The latest developments in all arms-control fields
- Details of the mandate and composition of UN and other international peacekeeping forces
- An analysis of surface-to-surface missiles, whether armed with nuclear, biological, chemical, or conventional warheads

Strategic Survey 1994-95

"Authoritative...a tradition of outspokenness and willingness to challenge conventional thinking..."

—*The Guardian*

This outstanding work is an annual analytical review and assessment of security-related events around the world. The significant events of the year are examined in their political contexts, and the trends for international security are identified. The book, consisting of factual accounts, analysis, and background data, is organized both by topic (arms control or strategic policy issues, for example) and geographically, with a careful review of each geographic area.

***The contents of Strategic Survey 1994-1995* include:**

- Perspectives
- Strategic Policy Issues
- The Americas
- Europe
- The Middle East
- Asia
- Africa
- Chronologies

OXFORD UNIVERSITY PRESS

NOW PUBLISHED FOR THE IISS BY OXFORD UNIVERSITY PRESS

Survival: The IISS Quarterly

Survival is a leading voice in the field of strategic studies. It challenges conventional wisdom and brings fresh, often controversial, perspectives to bear on the strategic issues of the moment. Under the new editorship of Philip Gordon, *Survival* builds on its strong reputation of providing sound analysis, authoritative information and innovative thinking on global issues with important military or security implications, and looks toward the twenty-first century identifying the emerging strategic trends. Case studies are set in the context of broader issues, identifying patterns of behavior and seeking to learn from developments in the increasingly complex world of international security.

Articles tackling the following key issues of the mid-1990s will be featured:

- The non-military dimensions of security
- Nuclear proliferation and the new nature of deterrence
- Peacekeeping and peace-enforcement
- Stability in Russia and China
- The future of US global engagement
- The changing geopolitics of the Middle East

Survival is available by subscription only.

POLITICAL SCIENCE

Phillip Burton on election night, 1982

JAMES DAY

The Vanishing Vision *The Inside Story of Public Television*

"The long, unfinished struggle to create—against daunting odds—an alternative television not tethered to market forces is Day's theme in this sweeping chronicle. This story—one of achievement eroded by internal dissent but, more significantly, by political log-rolling and chicanery—needs to be told, and Day does so with panache."

—Erik Barnouw,
author of *Tube of Plenty*

\$29.95 cloth, illustrated

ANDREW G. WALDER, Editor

The Waning of the Communist State

Economic Origins of Political Decline in China and Hungary

This collection of essays offers a compelling explanation for the decline of communism in the two countries that went the furthest with economic reforms—China and Hungary.

Studies on China, \$40.00 cloth

JOHN JACOBS

A Rage for Justice

The Passion and Politics of Phillip Burton

"There was no more compelling political figure in the America of the 1960s and 1970s than California's Phillip Burton and now John Jacobs has written a book that fits the man—big, boisterous, insightful, and compelling. Jacobs has captured Burton and has captured the fascinating politics of the Bay Area, California, and the House of Representatives, all in one terrific package."

THE BEST IN POLITICS

Social Movements, Political Violence, and the State

A Comparative Analysis of Italy and Germany
Donatella della Porta

This book presents empirical research on the nature and structure of political violence. While most studies of social movements focus on single-nation studies, della Porta uses a comparative research design to analyze movements in two countries — Italy and Germany — from the 1960s to the 1990s.

Cambridge Studies in Comparative Politics
47396-9 Hardback \$59.95

Beyond the Two Party System

Political Representation, Economic Competitiveness and Australian Politics
Ian Marsh

This study suggests that the two party system inadequately meets the current increased demands of the West's competitive governments and culturally and ethnically diverse societies. It accordingly outlines the ways in which politics might change to achieve genuine participatory democracy.

Reshaping Australian Institutions 1
46223-1 Hardback \$64.95

The Collapse of a Single Party System

The Disintegration of the Communist Party of the Soviet Union
Graeme Gill

Following the debates in the Communist party over the implications of Gorbachev's reforms, this in-depth analysis of its disintegration (1985-1991) reveals the institutional dynamics and pressures that ultimately led to the collapse of the most powerful single-party state in history.

Cambridge Russian, Soviet and Post-Soviet Studies 94

Good-bye, Machiavelli

Government and American Life

Bernard W. Wishy

"A remarkable piece of historical insight. . . . It maintains a distinctly nonpartisan even-handedness that is rare these days."

—Richard M. Abrams
University of California at Berkeley

"What Bernard Wishy attempts to demonstrate, and with great success, is the contrast between the ideal of small government, embodied in the writings of Thomas Jefferson, and the reality of active and growing government throughout American history. He shows that the American people have never believed in limited government, simply because there are too many interests and needs in society that can be served only by government."

—Norman A. Graebner
University of Virginia

\$34.95

On the Form of the American Mind

*The Collected Works of Eric Voegelin
Volume 1*

**Edited with an Introduction
by Jürgen Gebhardt and
Barry Cooper**

**Translated from the German by
Ruth Hein**

In his first major work, published in 1928, the young political philosopher Eric Voegelin covers a range of subjects—including Anglo-American jurisprudence and the views of historian, economist, and political scientist John R. Commons—while demonstrating their overall unity: each concerns linguistic expressions of a theoretical nature. Jürgen Gebhardt and Barry Cooper's two-part Introduction provides access to this brilliant study, in which Voegelin's acute perceptions and analyses combine with a conceptual vocabulary struggling to find its own coherence and form.

\$32.50

Past and Future of U.S. Intelligence

DIRTY TRICKS OR TRUMP CARDS *U.S. Counterintelligence & Covert Action*

ROY GODSON

ISBN 1-57488-034-9 \$24.95 Hardcover 326 pages

Are covert operations "dirty tricks" or trump cards that skillfully played, provide significant advantages in world politics? Roy Godson, one of today's most influential scholars on intelligence, marshals historical, comparative and contemporary experience to answer these questions. This balanced and impressive study fills a major void in the literature.

As the U.S. debates the future of its intelligence capability, this provocative and interesting book should be permitted to have a significant impact. . . .

Richard Helms, former director of Central Intelligence

. . . an outstanding analysis. This timely book is an important contribution to an understanding of intelligence requirements in a still dangerous world.

Robert L. Pfaltzgraff, Jr.,
Fletcher School of Law and Diplomacy

U.S. INTELLIGENCE **AT THE CROSSROADS** *Agendas for Reform*

ROY GODSON,
ERNEST MAY & GARY SCHMITT, Eds.

ISBN 1-57488-036-5 \$25.95 Hardcover 256 pages

Divergent perspectives on topics ranging from the very purposes of intelligence, to pressing policy concerns about weapons proliferation, economic espionage, and threats posed by nonstate actors such as criminal and terrorist organizations. Contributors include senior officials from CIA, FBI, State and Defense, as well as academic specialists such as Joseph Nye and James Q. Wilson.

Virtually indispensable for any outsider who wants to be reasonably up-to-date on what insiders have in mind (besides budgets and organization charts) when they talk about U.S. intelligence reform today.

H. Bradford Westerfield, Yale University

VOICE AND EQUALITY

Civic Voluntarism in American Politics

Sidney Verba, Kay Lehman Schlozman, and Henry E. Brady

"Meaningful democratic participation requires that the voices of citizens in politics be clear, loud, and equal: clear so that public officials know what citizens want and need, loud so that officials have an incentive to pay attention to what they hear, and equal so that the democratic ideal of equal responsiveness to the preferences and interests of all is not violated. Our analysis of voluntary activity in American politics suggests that the public's voice is often loud, sometimes clear, but rarely equal."

—From the book

This book confirms Alexis de Tocqueville's idea, dating back a century and a half, that American democracy is rooted in civil society. Citizens' involvement in family, school, work, voluntary associations, and religion has a significant impact on their participation as voters, campaigners, donors, community activists, and protesters. The authors have created an original survey of 15,000 individuals, which includes 2,500 personal interviews, that focuses on the central issues of involvement: how people come to be active, their motivations, their resources, and their networks. We see fascinating differences along cultural lines, observe family activism moving from generation to generation, and look into the special role of issues that elicit involvement, including abortion rights and social welfare.

NEW FROM THE FREE PRESS

THE NEXT AMERICAN NATION

The New Nationalism and the Fourth American Revolution

Michael Lind

“Lind’s brilliantly disturbing book shows that America is not a democracy of citizens but an oligarchy of professionals, a new class system based on credentials, and a new pseudo-aristocracy privileged to the luxury of affirmative action on the basis of hereditary right. Lind offers thoughtful radical solutions to these problems, and for good conservative reasons.”

—John Patrick Diggins,
City University of New York

1995 ISBN: 0-02-919103-3 \$25.00

ONE BY ONE FROM THE INSIDE OUT

Essays and Reviews on Race and Responsibility In America

Glenn C. Loury

“A valuable book. Loury writes with clarity and power. He is fearlessly blunt. He can be especially biting when criticizing black intellectuals on his left. Loury recognizes that the way to resolve America’s race problem is to find a solution for its underclass problem.”

—The New York Times Book Review

1995 ISBN: 0-02-919441-5 \$25.00

CHURCHILL

The Unruly Giant

Norman Rose

“This balance and breadth, this combination of sympathy and detachment, and this wide-ranging historical vision, mark out this book as the best one-volume life yet written.”

—David Cannadine,
Columbia University

1995 ISBN: 0-02-874009-2 \$25.00

TRUST

The Social Virtues and the Creation of Prosperity

Francis Fukuyama

“By focusing on the consequences of trust (and its absence) Fukuyama has brought new precision to our comprehension of social capital. In the wake of this book, it will no longer be possible to analyze economic growth without attending to its cultural preconditions. Essential for anyone who wishes to understand the real sources of the wealth of nations.”

—William A. Galston, University of Maryland

1995 ISBN: 0-02-910976-0 \$25.00

JOHN WAYNE: AMERICAN

Randy Roberts and James S. Olson

“Roberts and Olson bring us a fascinating in-depth study of a man who continues to exert his inescapable influence on American culture two decades after his death. *John Wayne: American* is a look not only at an unforgettable actor, but at ourselves.”

—Dan Rather

1995 ISBN: 0-02-923837-4 \$28.00

OVER LORD

General Pete Quesada and the Triumph of Tactical Air Power in World War II

Thomas Hughes

“Pete Quesada was one of the finest airmen of World War II, an unsung hero who was critical to the success of the Allies. This excellent biography finally gives him the credit he deserves.”

—Stephen E. Ambrose, author of
D-Day June 6, 1944: The Climactic Battle of World War II

1995 ISBN: 0-02-915351-4 \$28.00

DEMOCRATIC GOVERNANCE

James G. March and Johan P. Olsen

In this thought-provoking new work, March and Olsen construct a brilliant foundation for thinking about the broad theoretical concerns of democratic governance. Using this framework to challenge key aspects of standard contemporary thinking, March and Olsen draw on social science to examine how political institutions create and sustain democratic solidarity, identities, capabilities, accounts, and adaptiveness; how they can maintain and elaborate democratic values and beliefs—and how governance might be made honorable, just, and effective. Their comprehensive framework for discussion and debate will be read in management, political science, education, psychology and sociology into the 21st century.

1995 ISBN: 0-02-874054-8 \$30.00

THE LUCK BUSINESS

The Devastating Consequences of America’s Gambling Explosion

Robert Goodman

“To any politician or community that is considering gambling as a way to solve their economic woes: Read this book! Goodman probes the troubling question of what it portends when government pushes a simple solution—one based on luck instead of hard work—to the complex problem of revitalizing our economy.”

—Scott Harshbarger,
Attorney General of Massachusetts

A Martin Kessler Book
1995 ISBN: 0-02-912483-2 \$23.00

THE END OF RACISM
Dinesh D'Souza

“D'Souza clears away a mountain of rubbish, separates real from spurious issues, and appeals to good sense as well as common decency. No one could possibly agree with all his analyses and opinions, but everyone would profit from a careful reading of, and engagement with, this impressive and badly-needed book.”

—Eugene Genovese, author of *Roll, Jordan, Roll*
 1995 ISBN: 0-02-908102-5 \$30.00

BEYOND BLAME
 How We Can Succeed by
 Breaking the Dependency Barrier
Armstrong Williams

“Williams gives us a 100-page sermon on the value of family, hard work, perseverance and religious salvation in the form of open letters to ‘Brad,’ a young man whom social workers would describe, at best, as ‘at risk.’ It is a heartwarming little inspirational tract.”

—New York Newsday
 1995 ISBN: 0-02-935365-3 \$18.00

THE END OF THE NATION STATE
 The Rise of Regional Economies
Kenichi Ohmae

“Ohmae has stamped his brand on the idea that the information age will have a big impact not only on business but on the shape of international politics. If the cold war is over and money flows around the globe beyond the reach of governments, who, indeed, needs the nation-state? A bold statement of a provocative thesis.”

—Robert L. Bartley, Editor,
The Wall Street Journal
 1995 ISBN: 0-02-923341-0 \$25.00

NEOCONSERVATISM
 The Autobiography of an Idea
Irving Kristol

“Irving Kristol is one of America’s most impressive—and most important—social critics and intellectuals. To the unconvinced, I would simply say: read this superb collection. It will provide you with all the evidence you need.”

—William J. Bennett, author of *The Book of Virtues*
 1995 ISBN: 0-02-874021-1 \$25.00

THE WINNER-TAKE-ALL SOCIETY
Robert Frank and Philip Cook

“History will look back and see the shift in the American distribution of earnings since the 1970s as the largest that any society has ever had without a revolution or a military defeat and subsequent occupation...Frank and Cook convince me that the spread of ‘winner-take-all’ markets...is a big part of the explanation. If you read the book, they will also convince you.”

—Lester Thurow, author of *The Zero-Sum Society*
 A Martin Kessler Book
 1995 ISBN: 0-02-874034-3 \$25.00

LENIN
 A New Biography
Dmitri Volkogonov

“A stunning barrage of new evidence from archives to which few beside Mr. Volkogonov have had, or are likely to have, access...Lenin will still have his champions, but after this book their task will be much more daunting.”

—The New York Times Book Review
 1994 0-02-933435-7 \$30.00

REVOLUTION AT THE ROOTS
 Making Our Government Smaller,
 Better, and Closer to Home
William D. Eggers and John O'Leary

“The revolution at the state and local government level will help transform America and every American should be aware of it and of this book.”

—Newt Gingrich
 1995 ISBN: 0-02-874027-0 \$25.00

THE AGE OF HIROHITO
 In Search of Modern Japan
Daikichi Irokawa

“Hirohito was the continuum in Japan’s age of extremes. Whether a sabered dictator on a white horse or a nondescript biologist with a Mickey Mouse watch, he embodied the contradictions of modern Japan. Irokawa’s ‘people’s history’ provides a lucid introduction to Hirohito’s long reign, which—after all these studies in the last half century—remains one of the greatest enigmas of our time.”

The Growth of American Government

Governance from the Cleveland Era to the Present

Ballard C. Campbell

"A refreshingly unorthodox narrative. Campbell [explains] in plain language how government grew. His stance is neither liberal nor conservative, but simply well-informed and reasonable."

—Walter Nugent, University of Notre Dame

"The canvas is large, but one comes away from the book with an understanding of what has happened, the factors contributing to these developments, and their consequences."

Strongly recommended.
—Samuel McSeveney,
Vanderbilt University

This engaging survey of the growth of government in America in the last century focuses on the evolution of public policy and its relationship to the constitutional and political structure of government at the federal, state, and local levels.

Russians in the Former Soviet Republics

Paul Kolstoe, with a contribution by Andrei Edemsky

Paul Kolstoe traces the growth and role of the Russian population in non-Russian areas of the Russian Empire and then in the non-Russian Soviet republics. In the post-Soviet period, special attention is devoted to the situation of Russians in the Baltics, Moldova, Belarus, Ukraine, and the former Central Asian and Caucasian republics. Kolstoe suggests strategies for averting a repetition of the Yugoslav scenario on post-Soviet soil.

Edited and with an Introductory Essay by

Martin Feldstein

Martin Feldstein, former chairman of the Council of Economic Advisers during the Reagan administration, and other leading economists and policymakers provide compelling analysis of the policies which helped shape America's economy in the 1980s.

An NBER Conference Report

Economics and World History

Myths and Paradoxes

Paul Bairoch

Bairoch argues that several commonly held beliefs are based on insufficient knowledge and misguided interpretations of the economic history of the United States, Europe, and the Third World.

"A challenging and readable introduction to some major controversial themes in modern international economic history."

—Peter J. Cain, *International History Review*

Paper \$13.95 200 pages

*Cloth edition available

Chicago

The University of Chicago Press

5801 South Ellis Avenue, Chicago, Illinois 60637

P a p e r b o u n d s f r o m Y a l e

Toward Managed Peace

*The National Security Interests of
the United States, 1759 to the
Present*

Eugene V. Rostow

"A brilliant review of the evolution of U.S. foreign policy with particular emphasis upon the rule of law. It is important reading for all those interested in U.S. policy formulation for the future."

—The Honorable Paul H. Nitze
\$17.00

*Published by Yale University Press and National
Defense University Press*

The Workers' Party and Democratization in Brazil

Margaret E. Keck

"A wonderful book. The arguments are convincing, the prose refreshingly clear....[Keck's] study will likely be foundational and indelible for subsequent scholarship on the Workers' Party."

—Ben Ross Schneider, *American
Political Science Review* \$18.00

*Winner of the 1993 New England Council on Latin
American Studies Book Award*

Power Without Responsibility

*How Congress Abuses the People
Through Delegation*

David Schoenbrod

"An important book about revitalizing democracy. Federal bureaus are often unaccountable [and], delegation of rule-making is one of the reasons. Schoenbrod shows us how to make elected representatives and the federal bureaucracy once again accountable to the people."

—Senator Bill Bradley \$14.00

The Politics of Pregnancy

*Adolescent Sexuality and Public
Policy*

Edited by Annette Lawson and
Deborah L. Rhode

"[This] book tells us something frightening about the pockets of deprivation, racism, and separation from civil society that apply as much to young mothers as to tire-slashing boys on acid."—Melissa Benn, *New Statesman & Society*
\$17.00

The Management of Conflict

*Interpretations and Interests in
Comparative Perspective*

Marc Howard Ross

"This is the best book I know of on conflict management for today's political scene. In contrast to its rivals, Ross's theory of conflict resolution is deeply integrated with our best theories on ethnocentrism and other sources of intergroup conflict."—Donald T. Campbell
\$14.00

Inside Hitler's Greece

*The Experience of Occupation,
1941-1944*

Mark Mazower

"A superb book on the horrors afflicting wartime Greece.

...[Mazower] has done vast archival research and emerged with a gripping, readable and human account, setting every moment of a tragic period in appropriate context."—Fritz Stern, *Foreign Affairs* 70 illus. \$18.00

*Joint winner of the 1993 Fraenkel Prize in
Contemporary History*

Winner of the 1994 Longman/History Today Prize

Law's Promise, Law's Expression

*Visions of Power in the Politics of
Race, Gender, and Religion*

Kenneth L. Karst

"A reasoned and cogent response to those who complain about the judicialization of politics.

Karst demonstrates that the social issues agenda is inextricably bound up in law. This book is required reading for all those interested in the cultural revolution of the 1960s and 1970s and the counter revolution that informs so much of our national politics today."—Thomas Edsall

Inaugural volumes in the Annals of Communism series

The Secret World of American Communism

Harvey Klehr, John Earl Haynes, and Fridrikh Igorevich Firsov

"A wonderfully rich and revelatory book."—David Garrow, *New York Newsday*

"A valuable book....It proves beyond any question that the [CPUSA] functioned as an instrument of Soviet espionage."**"**—Arthur Schlesinger, Jr., *The New Republic*

"A formidable achievement. ...No one will be able to write about the CPUSA in the future without reference to this volume."**"**—Maurice Isserman, *The Nation*

"This book contains the first new revelation about American communism in a generation. It is superbly edited and admirably presented. **No one interested in the history of American communism can afford to miss it.**"—Theodore Draper \$25.00

Stalin's Letters to Molotov, 1925-1936

Edited by Lars T. Lih, Oleg V. Naumov, and Oleg V. Khlevniuk

"A tantalizing glimpse of the despot."—Serge Schmemmann, *The New York Times*

"Fascinating....Provide[s] the best insight yet into the workings of Stalin's political mind."**"**—Steven Merritt Miner, *New York Times Book Review*

"Chilling reading....A wealth of insights into the early years of Stalin's rule."**"**—Mark Kramer, *Chicago Tribune*

"The exchanges printed here give us **Bolshevik thought in the raw**, in all its crudity and coarseness."**"**—Robert Conquest \$25.00

CONTACTING APSA BY E-MAIL

apsa@apsa.com

Use this address for general inquiries about APSA services not mentioned below.

membership@apsa.com

send mail to this address to receive information about membership rates and services to APSA and its organized sections. Request an address change or renew your membership (if you wish to transmit your credit card number by e-mail). Find out about joint memberships with ASA, ASIL, and AHA.

meeting@apsa.com

Find out future annual meeting dates and information, including the 1996 Call for Papers.

PS@apsa.com

Use this address to submit material for the People in Political Science Section and for the "News and Notes" sections; Questions about deadlines and manuscript submissions.

publications@apsa.com

Receive a list of APSA publications, find the status of an order, and place orders (if you wish to transmit your credit card number by e-mail).

minority_id@apsa.com

Use this address to submit names of students who are candidates for the minority identification project and to request additional information about the program.

PSN@apsa.com

Send employment listings to the Personnel Service Newsletter, a monthly publication listing employment opportunities for political scientists.

advertising@apsa.com

Obtain insertion rates for advertising in PS, APSR, and the Annual Meeting Final Program.

apsr@ssc.msu.edu

Use this address to contact the editorial office of the American Political Science Review. Please note that instructions for submission of articles to the review are printed in each issue. The editorial office does not handle business issues. **For address changes, advertising, or other non-editorial issues, please contact APSA headquarters at the e-mail addresses listed above.**

information@apsa.com

For general information about APSA services this automated server will return specific files you request. There are files on membership, publications, research grants, fellowships, and more. Type "send list" in the subject field of your message to receive a list of available files

APSA ON THE INTERNET

The American Political Science Association (APSA) e-mail addresses and gopher server allow political scientists faster, more efficient ways to access information and services.

APSA GOPHER

Located at apsa.trenton.edu and coordinated by **Bill Ball, assistant professor of political science, Trenton State College**. The APSA gopher provides an effective means of retrieving political science resources from the Internet. The APSA gopher server is currently averaging 180 accesses a day. Use the address below:

apsa.trenton.edu root menu

About the APSA Gopher
American Government Gopher at
Northwestern University
Comparative Politics
International Relations
Political Theory
Public Policy and Public Administration
Computers, Software & Data
APSA Information & Services
Conference Information
Journal Information
Scholarships, Fellowships, & Grants
The Political Science List of Lists
E-Mail Directory of Political Scientists
Related Gophers and Reference Information

Questions and suggestions on other gopher links should be sent to Bill Ball at ball@trenton.edu.

PSRT-L, THE POLITICAL SCIENCE RESEARCH AND TEACHING LIST

The APSA gopher server is designed to work in conjunction with the Political Science Research and Teaching List (psrt-l) which itself has 1,420 subscribers in 44 countries. PSRT-L is a Listserv discussion group (send the command "subscribe psrt-l your name" to listserv@mizzou1.missouri.edu). To send messages to current subscribers of the list, send mail to psrt-l@mizzou1.missouri.edu.

WORLD WIDE WEB SITES FOR POLITICAL SCIENTISTS

The World Wide Web (WWW) allows users to view text as well as graphics, video, and sound. Like the gopher, special software is needed to access web pages. The following sites contain information relevant to political science:

<http://www.un.org>

United Nations news and documents

<http://osiris.colorado.edu/~prq/prq.html>

Political Research Quarterly, the official journal of the Western Political Science Association

<http://www.loc.gov>

Documents from the Library of Congress

Information on other political science web sites should be sent to psrt-l@mizzou1.missouri.edu

1527 New Hampshire Avenue, NW
Washington, DC 20036

Phone: (202) 483-2512 e-mail: apsa@apsa.com Fax: (202) 483-2657

Why Should I Join The American Political Science Association?

To participate in the advancement of the discipline and the profession.

The American Political Science Association is the major professional society for those engaged in the study of politics.

Our mission is to reach out to scholars, teachers, students and others throughout the world to facilitate learning, teaching, and research in the field of political science.

To do so, we foster support for political science research and teaching, facilitate employment, promote equity and diversity in the profession, further professional ethics, sponsor awards for scholarly excellence, and develop teaching materials. We provide opportunities for communicating in and across fields, presenting research, publishing articles, and participating in a variety of special programs.

To invest in the professional development of your own career.

Members of the American Political Science Association receive a wide range of benefits, including:

Subscriptions to the *American Political Science Review*, the leading journal of political science research, and *PS*, the only quarterly professional news journal in the political science field.

Eligibility for special member programs such as:

- Membership on association committees and governing bodies with a direct impact on the profession.
- Membership in Organized Sections.
- Employment services such as Personnel Service Newsletter.
- APSA research grants.
- APSA fellowships.

Discounts and special reduced rates for members only on:

- APSA's annual meeting, attended by thousands of political scientists from around the world. Our members get discounts on registration, airfare, and hotel rates.
- APSA's publications, including directories, research and professional guides, instructional resources, software, and more.
- Subscriptions to over 100 periodicals from other organizations.
- Memberships in the American Historical Association, the American Sociological Association, and the American Society of International Law.
- Hertz car rentals.
- Membership in Quest (a travel company that provides attractive, reduced-rate hotel rooms for professional travel in the U.S. and abroad).

Listing in the APSA Membership Directory, widely used in the U.S. and abroad to provide information about individual political scientists and their interests, and consequently as a source of professional opportunities.

Photocopy the Membership Application on the opposite page and mail or fax to:

AMERICAN VOTING BEHAVIOR IN PRESIDENTIAL ELECTIONS 1972 TO 1992

★
**ONE SETUPS
COVERING SIX
PRESIDENTIAL
ELECTIONS!**
★ ★

Charles Drysby
University of
North Carolina
at Greensboro

Carmine Scavo
East Carolina
University

Supplementary Empirical Teaching Units in Political Science

are widely used in political science courses. A SETUPS includes a monograph and dataset. Now this new SETUPS includes data from six presidential elections, 1972-1992. The data are from the American National Election Study Cumulative Data File. The dataset includes 70 variables, most of which were asked in each of the six years, and all of which are available for at least the majority of the years. All the respondents interviewed in the six ANES surveys are included. A monograph, similar to those for past SETUPS, accompanies the dataset. This SETUPS makes it possible to analyze voting behavior over a series of elections as well as within a single election. This feature is covered in the discussions and exercises in the monograph.

The dataset for this SETUPS is available from the ICPSR in a format suitable for use either on mainframe or microcomputers. Several files will be provided: (a) an SPSS export file; (b) a raw data file; (c) SPSS file definition statements; and (d) SAS file definition statements. This SETUPS is especially designed for use with SPSS, as the monograph uses SPSS commands as examples. Users of either SPSS for Windows or a mainframe version of SPSS should find the SPSS export file the most convenient to use, but the raw data and file definition statements also are provided as a backup choice. SAS users can either use the raw data and SAS file definition statements or can import the SPSS system file through the SPSS/SAS interface.

Price: \$10 for each SETUPS monograph. The dataset is distributed free by the Inter-University Consortium for Political and Social Research to accompany orders of 25 or more copies. There is a 20% discount on bookstore orders of 25 copies or more.

Still available: Voting Behavior: The 1992 Election. Use this SETUPS for an in-depth study of the most recent presidential election.

American Democracy in Peril

Seven Challenges to America's Future. Revised edition.

William E. Hudson, *Providence College*

"This text provides a provocative challenge to complacency about the state of American politics. Written with clarity and verve, it will compel students to contest familiar assumptions and to think hard about our institutions, social structure, and values. *American Democracy in Peril* is the kind of book that can make teaching come alive."

Ira Katznelson, *Columbia University*

Instructor's Manual Available

1-56643-030-5 paper

American Public Policy: Promise and Performance. Fourth edition.

B. Guy Peters, *University of Pittsburgh*

One of the best-selling texts in public policy has been thoroughly revised and updated. Peters clearly explicates the policy-making process and has added a section on crime and law enforcement.

1-56643-024-0 paper

Instructor's Manual Available

The Clinton Presidency: First Appraisals

Edited by Colin Campbell, *Georgetown University*, and **Bert A. Rockman**, *University of Pittsburgh*

In the tradition of *The Reagan Legacy* and *The Bush Presidency*, twelve original essays by some of our foremost political scientists critically examine the performance of the Clinton administration. Highly appropriate for courses in American politics as well as the presidency.

1-56643-014-3 paper

1-56643-013-5 cloth

Democracy's Feast: Elections in America

Edited by Herbert F. Weisberg, *Ohio State University*

"This book fills the enormous void between casual punditry and incomprehensible analysis. The authors treat the data with respect, but their main interest is politics, thank God, not data."

1-56643-011-9 paper

William Schneider, *CNN*

In Pursuit of the White House

How We Choose Our Presidential Nominees

Edited by William G. Mayer, *Northeastern University*

"A superb collection of original research on the presidential nominating process, *In Pursuit of the White House* should be required reading for reporters covering the 1996 campaign and for all students of American electoral politics."

Thomas E. Mann, *The Brookings Institution*

1-56643-027-5 paper

The Politics of Disappointment: American Elections, 1976-94

Wilson Carey McWilliams, *Rutgers University*

"This brilliant book proves once again that he is one of the country's most gifted and perceptive students of our great democratic experiment."

E.J. Dionne, Jr., author of *Why Americans Hate Politics*

1-56643-028-3 paper

The Politics of Gun Control

Robert J. Spitzer, *SUNY, College at Cortland*

"This is a book that has been begging to be written. A terrific book—thorough, informative, and balanced. Looking at gun control through the broader framework of social regulatory policy, the author cuts through the cant surrounding this hot issue and offers all of us new perspectives on a contemporary policy quandary."

1-56643-021-6 paper

John T. Tierney, *Boston College*

Presidential Elections

Strategies and Structures of American Politics. Ninth edition

Nelson W. Polsby and Aaron Wildavsky, *University of California, Berkeley*

Polsby has completely revised and updated this classic study of politicians' strategic choices and voter behavior in presidential elections. The book comprehensively covers parties, primaries, national conventions, campaigns and their organizations, and mass voting behavior. The new edition takes account of trends reflected in the elections of 1994 and relates them to the presidential contests of the preceding three decades, setting the stage for the 1996 election.
