

Service Learning: The Peace Corps, American Higher Education, and the Limits of Modernist Ideas of Development and Citizenship – Erratum

David S. Busch

DOI: <https://doi.org/10.1017/heq.2018.28> Published online by Cambridge University Press: 12 October 2018

In the original publication of this article¹, the spelling of Marjorie Michelmore's name is incorrect: the proper spelling is Margery Michelmore. Her Peace Corps placement was in Nigeria (not Ghana) and the events described involved Nigerian individuals (not Ghanaian individuals).

In addition, the citation “Zimmerman, *Innocents Abroad*, 76–77” has been added to footnote 24.

The author apologizes for these errors.
