Commentary – ERRATUM

R. GOULD

Neuron Glia Biology, 2008; 4: 57–58. Published by Cambridge University Press. doi: 10.1017/S1740925X09990275

The publishers deeply regret that in the above article (Gould, 2008), the author's name was not included in the article. The commentary was written by Robert Gould.

Furthermore, he was the sole guest editor for all of the papers in the special issue, Evolution of Myelin.

We would like to apologize for this oversight.
