Rakka ryūsui

Colonel Akashi's Report on His Secret Cooperation with the Russian Revolutionary Parties during the Russo-Japanese War

AKASHI Motojirō

Selected chapters translated by Inaba Chiharu and edited by Olavi K. Fält and Antti Kujala

Rakka ryūsui is the Japanese Colonel Akashi's famous, but because of the language barrier up until now inaccessible, report from 1906. Relevant Japanese telegrams from 1904 and 1905 are published here as an appendix to the report. The work also includes an introduction to *Rakka ryūsui* and its writer as well as various studies which examine such pertinent matters as the joint conferences and cooperative ventures among the revolutionary parties of the Russian Empire, 1904 — 1905.

202 pp. ISBN 951-8915-16-4

Siberia on Fire

Stories and Essays by Valentin Rasputin

Translated by

Gerald Mikkelson and Margaret Winchell

The stories and essays in this collection present the land, people, and spirit of Siberia as portrayed by Valentin Rasputin, one of the most important and influential contemporary Soviet writers. Included is his most recent novella, "The Fire."

Approx. 300 pages November

An Algebra of Soviet Power

Elite Circulation in the Belorussian Republic, 1966-1986

Michael E. Urban

The control of office has long been regarded as the key to understanding power and policy in the Soviet system. What, however, accounts for this control of office? Numerous conventional studies have addressed this question by focusing on the individuals who make up the Soviet elite but his book treats the personnel system itself as a set of power relations that govern the mobility of the individuals within it.

Political Authority and Party Secretaries in Poland, 1975-1986

Paul G. Lewis

Paying particularly close attention to the provisional party organization and to the party secretaries who direct its activities, this book examines the changing position and role of the Polish United Workers' Party and its apparatus between 1975 and 1986.

about \$49.50

Soviet Relations with Latin America, 1959-1987

Nicola Miller

This book surveys Soviet-Latin American relations over the past quarter century and demonstrates clearly that existing, heavily "geo-political" accounts distort the real nature of Soviet activity in the area, closely constrained by local political, social, and geographical factors. In a broadly chronological series of case studies, the author argues that enormous physical and communicational barriers obstruct Soviet-Latin American relations, and that the lack of economic complementarity imposes a natural obstacle to trading growth.

Announcing a new series...

Cambridge Soviet Paperbacks

Editorial Board

Mary McAuley, General Editor

Editors: Timothy Colton, Karen

Dawisha, David Dyker,

Diane Koenker,

Gail Lapidus, Robert Legvold, Alex

Pravda, and Gertrude Schroeder

Cambridge Soviet Paperbacks is a completely new initiative in publishing on the Soviet Union. The series will focus on the economics, international relations, politics, sociology, and history of the Soviet and Revolutionary periods. The idea behind the series is the identification of gaps for upper level surveys or studies falling between the traditional university press monograph and most student textbooks. The volumes will be available in hardcover editions, too.

At bookstores or order from

Cambridge University Press

32 East 57th St., NY, NY 10022. Call toll-free: 800-872-7423, outside NY State.
800-227-0247, NY State only. Master Card and VISA accepted. Prices subject to change.

Mary Buckley

Women and Ideology in the Soviet Union

Buckley draws extensively on primary sources, many of which are not easily obtainable outside the USSR, to provide a rigorous historical and political analysis of women's role in the Soviet Union.

cloth \$35.00 / paper \$13.95

Vladimir Dedijer

The War Diaries of Vladimir Dedijer

Volume 1: From April 6, 1941, to November 27, 1942

Volume 2: From November 28, 1942, to September 10, 1943

Volume 3: From September 11, 1943, to November 7, 1944

each volume in cloth \$49.50

set of three volumes \$125.00

"The *War Diaries* of Dedijer are no scholar's compendium of dry dates and decisions. They are a blood-stained memento of heroic men and women fighting against impossible odds for the survival of their homeland . . . They must be read in the uncompromising spirit in which they are written. Dedijer's artistic skills as a writer, his passion, and his emotion enrich his memoirs and make their reading an adventure in human experience." —from the Foreword by Harrison Salisbury

ALSO AVAILABLE

Nikolai Bukharin and Evgeny Preobrazhensky The ABC of Communism

Preface and Introduction by Sidney Heitmann

The ABC of Communism was to dedicated Bolsheviks of the twenties what the Communist Manifesto was to nineteenth-century Marxists. Written in 1919 in an atmosphere of crisis and dissension, Bukharin's book seethes with the ferment of revolution. Its aim is to explain the Communist party program to the people. It is both a theoretical exposition of communist philosophy and a practical guidebook.

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted in four double-spaced typed copies. (If manuscripts are computer generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should also be double-spaced; Notes should be placed at the end of the article and not at the bottoms of pages. Manuscripts are sent to readers anonymously and should be prepared accordingly. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general articles should not exceed twenty-five pages $8\frac{1}{2} \times 11$ in dimension—including endnotes. Manuscripts will not be returned unless postage is included; please do not send checks.

The policy of the *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Publication of articles in the *Slavic Review* is ordinarily limited to those submitted by members of AAASS. Nonmembers wishing to submit manuscripts are asked to request a membership application.
