

Errata

Volume 17(2)

Apologies to Emeritus Professor Harcourt (Cambridge) and to Dr Iain Campbell (RMIT) for printing errors in *ELRR* Vol. 17(2). The affected articles are:

1. Harcourt, G. (2007) 'Markets, madness and a middle way revisited', *ELRR* Vol. 17(2), pp. 1–10.

Two paragraphs were lost from sections IV and V of this article. The corrected version of the article is reprinted in full at the end of the current issue (Vol. 18(1)), but with the original pagination. Please refer to the version printed in this issue. The on-line version of Vol. 17(2) will contain the correct version.

2. Campbell, I. (2007) 'Long working hours in Australia: Working-time regulation and employer pressures', *ELRR* Vol. 17(2), pp. 37–68.

Figures 1 and 3 (on pages 40 and 44 of the original) were truncated. Please replace these two pages with those at the end of this volume. The pagination is as in Vol. 17(2). Again, the on-line version of Vol. 17(2) will contain the correct versions.
